In reply to the statement that "the weekly sanitary reports which you were requested to forward to the Marine-Hospital Service have not been received," I beg to state that for two weeks during the month of August no reports were received at this office, and I sent a messenger to the city hall to inquire why they were not sent as usual and was informed that they were short of clerical help, but they supplied the missing reports, which were duly forwarded and have been forwarded regularly since.

Respectfully,

W. R. HOLLOWAY,
Consul-General.

Report of cholera at Singapore.

SINGAPORE, *November 27, 1900.*

SIR: Referring to my dispatch No. 152 of date 14th instant, I have the honor to inclose for your information, copy of letter from the acting colonial secretary, Straits Settlements, in regard to the cases of cholera that have occurred in this settlement since the 16th instant, and from Dr. E. W. von Tunzelmann, the medical officer to this consulate-general, informing for reasons stated that the disease has as yet not become epidemic in any sense.

Respectfully,

J. M. CAMPBELL,
Acting United States Vice and Deputy Consul-General.

Hon. SECRETARY OF STATE.

[Inclosure.]

SINGAPORE, *November 21, 1900.*

SIR: I am directed to inform you that the following cases of cholera have been reported: On the 17th instant, 14 cases (3 of which were at the lunatic asylum) and 7 deaths; on the 18th instant, 5 cases and 4 deaths; on the 19th instant, 8 cases and 2 deaths. The total number of cases up to date is 56, and the number of deaths 36. As bulletins showing the progress of the epidemic are now being sent to the local newspapers every
